Student Works of Mercy Service Reflection

As each one has received a gift,

Use it to serve one another

As good steward of God's varied grace

1 Peter 4:10

Please write a reflection in letter form to God.

Our gifts and talents come from Him. During the two year preparation for the Sacrament of Confirmation, you have been asked to go out and share your time, talent and treasure with those in need. Each year you must participate in a minimum of three works of mercy service projects. At least one should be done in a group with your class, and the other two can be done individually or with others. Listed below are some ideas to help you write this letter to God. **Choose one project each year to write about and use the list below to guide your writing.** As you reflect upon the Work of Mercy that you participated in, think about:

1. Where did you serve?
2. Who were you with (adults and peers)?
3. Who did you serve?
4. When did you feel most engaged in your work of service?
5. Describe what you learned about Jesus' model of service and Gospel values by participating in this service project.
6. Describe one way you experienced God's presence through your service work and/or the people you served. Explain how you think your actions made a difference for yourself or others.
7. What are you thankful for that which you have been given and shared in Christ's name?
8. What do you want to be remembered for?

Please TYPE your reflection and try to keep to one page.
